

# RN-PT-R/SN-PT-R SERIES PERFORATED RETURN

LAY-IN 24 x 24 PANEL SIZE

[Other Panel Sizes Available]

MODEL RN-PT-R SHOWN

**DESIGN FEATURES:** The RN-PT-R (round neck) and the SN-PT-R (square neck) is designed as a companion to our RN-PT/SN-PT series.

Concealed tension springs are provided for easy removal of the perforated face.

Model OB dampers for SN-PT-R and Model "D" Damper for RN-PT-R are available.

**CONSTRUCTION:** .050 extruded aluminum frame.

Unique corner key construction to ensure closed miters.

Steel perforated panel with 3/16" diameter holes on 1/4" staggered centers.

Furnished in off-white baked enamel.
